Selling Unit : **Unit**

**CHARACTERISTICS**

GEOFORME PERFORATED STAINLESS STEEL MOULD

- In stainless steel
- Practical, functional and efficient
- Easy to darken, to garnish, to unmold, to maintain and to store.
- Multi-purpose (crusted pate, salty or sweet cakes, soft bread, gingerbread, brioche-style sausage...)
- This perforated model enables a uniform cooking of the dough
- Can be combined with baking paper for some doughs, with integrated hinges and latches
- Robust 'ALL-IN-ONE' design: cannot be dismantled. No lost parts
- Dishwashing safe
