Designation : **Green grignette with non reversible fixed blade**

Code bobet : **20118**

Selling Unit : **Unit**

Non-contractual pictures

CHARACTERISTICS

- Grignette with non-reversible fixed blade (flexible plastic with shape memory)
- Deformable plastic handle according to working habits
- Material: Copolymer polypropylene / food-grade stainless steel
- Packaging: Bag of 10 pieces, carton box of 500 pieces

The baker's blade makes it very easy to incise the dough before baking the bread to allow it to rise more easily. The sharpness of the blade ensures a high quality of cut. Plastic blade holder with protection for the blade and stainless steel blade.

Dimensions: 145 x 12 x 2 mm

Weight: 0.003 kg

STANDARDS :

Complies with EU Regulation 10/2011 relating to plastic materials in contact with foodstuffs
