CHARACTERISTICS

Pouch (ladle) with one-piece stainless steel spout.

- The one-piece pouch is made in one piece, guarantee of solidity.
 - The handle is very rigid, wide and ergonomically shaped.
 - Always as essential, the beaked pouch is ideal for pouring sauce into a dish or plates, serving sangrias or other drinks, etc. This without dripping.
 - Ergonomic shape of the handle to insert the thumb. Prevents the utensil from rotating, even with oily or wet hands.
- Handle height: 280 mm
