Designation : **EFA saw SK 18 WB**

Code bobet : **8862**

Selling Unit : **Unit**

Non-contractual pictures

**CHARACTERISTICS**

Electrically operated breaking saw, to cut half-carasses of cattle, hogs, calves, sheeps, game...

- Powerful, high output universal motor, splash proof
- Lightweight
- Adjustable depth of cut
- Safe to operate thanks to electronic brake
- Easy to maintain and long lifetime

SPARE PARTS:

- Sawblades D.180 : Code Bobet 9328 (medium-fine tothing) or Code Bobet 17726 (Hard metal tothing)
- Power supply cord code 17838
- Switch 230V code 21783
- Sealing ring (rep.29) code 21785
- Switch cover (rep.30) code 23259
- Carbon brushes code 23462

1 year guarantee against any construction defect.

STANDARDS :

- In compliance with the machine directive 2006/42 / EC
- In compliance with the directive EU 2014/30/UE : electromagnetic compatibility
- All surfaces and parts intended to come into contact with food are made of materials suitable for food contact and respect the food safety requirements according to the regulations (CE) n°1935/2004 regarding materials and items in contact with foodstuffs, and have to be made according to special measures (like the regulation EU n° 10/2011 for example : Regulation regarding materials and items in plastic in contact with foodstuffs).

DESCRIPTION :

Motor power : 1020 W / 1.4 HP

Voltage : 230 V 50-60 Hz 1 Ph

Tours : 1650 T/min

Blade diameter : 180 mm / 7.1 inch

Depth of cut : 15-65 mm / 0.6-2.6 inch

Weight : 6.6 Kg

Degree of protection : IP 24
