

SPECIFICATIONS

ARTICLEDesignation : **EFA saw SK 23**Code bobet : **15538**Selling Unit : **Unit**

Non-contractual pictures

CHARACTERISTICS

Electrically operated breaking saw to cut half-carcasses of cattle.

- Powerful, high output universal motor, splash proof
- Adjustable depth of cut
- Installed, patented centrifugal power brake for sawblade
- Heavy duty, easy to maintain and long lifetime

SPARE PARTS:

- Sawblades D.230 : Code Bobet 15544 (medium-fine tooting) or Code Bobet 15783 (hard metal tooting).
- Power supply cord code 17838
- Switch 230V code 21783
- Switch cover rep.30 code 23259
- Carbon brushes code 23462
- Sealing ring code 21785

1 year guarantee against any construction defect.

STANDARDS :

- In compliance with the machine directive 2006/42 / EC
- In compliance with the directive EU 2014/30/UE : electromagnetic compatibility
- All surfaces and parts intended to come into contact with food are made of materials suitable for food contact and respect the food safety requirements according to the regulations (CE) n°1935/2004 regarding materials and items in contact with foodstuffs, and have to be made according to special measures (like the regulation EU n° 10/2011 for example : Regulation regarding materials and items in plastic in contact with foodstuffs).

DESCRIPTION :**Motor power :** 1.8 kW**Voltage :** 230 V 50-60 Hz 1Ph**Tours :** 1350 T/min**Blade diameter :** 230 mm / 9 inch**Depth of cut :** 15-75 mm / 0.6-3 inch

Weight : 9.8 Kg

Degree of protection : IP 24
