Selling Unit : **Unit**

Non-contractual pictures

CHARACTERISTICS

Clear copolyester star tube

- Undeformable and unbreakable.
- One-piece, with their perfectly smooth cone, they offer the essential hygiene guarantees.
- Their transparency makes it possible to check for the presence of air bubbles.
- They can be used on nylon pockets and single-use pockets thanks to their wide retaining bead.
- The reinforced toothing of the fluted sockets allows precise work.
- Dishwasher safe
- Packaging: box of 2 nozzles

See diagram below for drawing only (warning! Not actual size)
